LINK :[Facebook](#)

3. Create and design a social media advertisement poster using canva.

4. Create email newsletter design using MailChimp or canva tool.

THE TECHNOLOGY WILL CHANGE THIS WORLD

As technology expands and reshapes our economy, it's time for our social contract to evolve with it. Artificial Intelligence is the latest platform shift that promises to radically alter our prospects for growth and prosperity.

WHY US?

The US has a long history of investing in research and development, which has helped it to stay at the forefront of technological innovation. Additionally, the US has a highly educated population, with many students pursuing technical degrees, which has helped to create a highly skilled workforce.
